

HONEY JUDITH RUBIN, E.D.S.

WRITER AND TRAINING SPECIALIST

WRITING/EDITING HIGHLIGHTS

- Co-writing and ghostwriting that bring a high shine to others' thoughts — for print and speeches
- Publishing several dozen articles on the topics listed below and other areas of interest and expertise in local, regional and national publications
- Building an excellent news gathering network from the ground up — serving 10,000 employees and instilling a sense of team and ownership of their newsletter during a hard merger
- Creating dynamic, cohesive sales proposal materials in text and workflow/organizational charts
- Consistently providing written material that is inspiring, informative, uplifting, and amusing

SPEAKING ENGAGEMENTS AND SEMINARS

I teach classes and seminars, give talks, and provide personalized consultation and coaching. Talks and seminars at business, professional, and social groups, and schools and churches include:

BEING HEALTHY IN ALL MY RELATIONSHIPS — new paradigms for upgrading or healing relationships with food, people, tobacco, work, alcohol, money, and other issues. Topics include:

- Teaching Others to Treat You Well
- Becoming a Non-Smoker — Six Things You Can Do That Help
- How Champions Handle Mistakes
- Releasing Guilt, Hurt, Pain, or Anger From All Your Relationships

GOALS, VALUES AND ETHICS — dynamic and remarkably effective methods for setting and easily achieving values-based goals, which are emotionally, spiritually, and ethically rich. Some topics from this course include:

- Releasing the Past to Create Fresh Starts Daily
- Review for Success — ask quality questions to create quality results
- Begin with the End Result — let ethics, excellence, and enthusiasm inspire and drive your goals
- Elegant Solutions — the path to long-term efficiency and effectiveness goes through the heart

INSPIRING PEOPLE — THE INNER GAME — release perfection, control and manipulation and embrace excellence, self-discipline, and mutual respect. Some topics from this course include:

- The 3-Ring Circus — valueless and valuable investments of your time, energy, and attention
- Examples Speak Louder Than Words — the value of self-discipline in teaching mutual respect
- People Don't Plan to Fail, They Fail to Plan

HOW TO KEEP THE PEACE WHILE SPEAKING YOUR PIECE — speak your mind in a way that builds relationships. Some topics from this course include:

- The Truth Being Precious Is Best Offered as a Gift
- On the Wings of Forgiveness Is Carried All Other Wisdom

POSITIVE SELF-TALK — THE LANGUAGE OF CHAMPIONS — mastering the inner game of success. Some topics from this popular course include:

- What You Say Is What You Get!
- Look How Quickly I Am Remembering To...
